Handwriting practice sheet for the letter 'G' and 'g'. The sheet includes a large example of each letter with stroke order arrows and numbers, a cartoon gorilla, the word 'Gorilla' in cursive, and four rows of tracing practice on lined paper.

This handwriting practice sheet is designed for the word "hippo". It features a large illustration of a hippopotamus on the right side. The word "hippo" is written in a dotted font across the middle of the page for tracing. Below this, there are several rows of handwriting lines (top blue, middle dashed, bottom red) for independent practice. Each row includes a solid example of the letter with numbered arrows indicating stroke order: 'H' (1: vertical down, 2: vertical down, 3: horizontal right) and 'h' (1: vertical down, 2: curved top). The word "hippo" is broken down into its constituent letters across these rows for tracing.
