## THE PLURAL OF NOUNS

Most nouns make their plurals by simply adding **-s** to the end.

Some do change their endings, though.

**1 cat** **2 cats**

---

If the noun ends with a **consonant** plus **-y**, make the plural by changing **-y** to **-ies**:

- cherry → cherries
- lady → ladies

**1 baby** **2 babies**

---

If the noun ends with **-ch**, **-s**, **-sh**, **-x**, or **-z**, add **-es** to form the plural:

- church → churches
- box → boxes

Some words that end in **-o** also take **-es**.

- potato → potatoes

**1 bus** **2 buses**

**1 tomato** **2 tomatoes**

---

With nouns that end in a **consonant** or a **single vowel** plus **-f** or **-fe**, change the **-f** or **-fe** to **-ves**:

- knife → knives
- shelf → shelves

**1 wolf** **2 wolves**
